STRENGTHS

Java   Spring boot
Microservices
OpenText documentum
REST   Azure   Git   CI/CD
JUnit   HTML   CSS
JavaScript   Node.js

TOOLS

Eclipse   IDEA CE   Postman
SOAPUI   UBS deploy
LaTeX   JIRA   Confluence
LEARNING

GoLang   REACT.js

LANGUAGES

Kannada: **Native**
English: **Professional**
German: **Basic / A1**

ACHIEVEMENTS

🏆 **Raising star award**
Accenture-2018

🏆 **Student inspiration award**
Dayanada Sagar College, 2017

💙 **Worked as a volunteer for Accenture CSR team**

🔵 **Participated in Accenture global hackathon, 2019**

CERTIFICATIONS

✳ **Azure AZ-900 certification**
2020

✳ **German A1**
2017

ABOUT ME

I am a Java developer with 4+ years of experience in design, development, implementation, testing, documentation and production support. I am experienced in coordinating cross-functional teams fast-paced, deadline driven environment to steer timely delivery

EXPERIENCE

Senior software engineer | Accenture

📅 12 2021 – Present   📍 Bangalore, India

- Started with an Associate software engineer role, involved in requirement gathering, designing solutions, co-ordinated with onshore team members and participating in team meetings for designing solutions.
- Worked as an individual contributor for major releases; As a client facing role, handled multiple releases, which involved deliverables, Enhancements, change requests while providing support to the production incidents to the L2 support teams.
- Handled priority incidents and requests as part of SLA based production support; Also proposed automation solution as a part of value added contribution.
- Assisted the new joiners on core documentum, GitHub and documentum web services

PROJECTS

UBS HRIT - Interstellar | Accenture

📅 12 2021 – Present

- Joined the team as a senior software engineer and started developing Microservices for a cloud based ServiceNow application
- Learnt the basics of Azure cloud, swagger and other tools like Hashicorp vaults systems
- Quickly gained knowledge on REST API development in spring boot and built the multiple APIs
- Incorporated monitoring solution for Azure AppServices by creating alert rules (using ARM template) and Netcool, This solution helps to track the fault tolerance of AppServices hosted on Azure cloud
- Implemented OAuth2 by generating JWT for authorizing APIs, Which is useful in authorizing the HTTP calls made by on-premise applications (within UBS network) with external applications.

UBS HRDMS (Document management system | Accenture

📅 12 2017 – 11 2021

- Designed a solution for massive file upload problems using a custom documentum job, while facing the challenges of operating files on Windows and Linux platforms.
- The above solution has reduced time consumption by HR users while uploading files manually; Also the proposed solution has the capability to upload thousands of files in batches.
- Designed a solution for restricting file movement within document folder structure, by creating custom ACLs(Access control lists)

- Took ownership of major releases and configured DevOps tools to enable CI/CD work-flow, This made the packaging and deployment of artifacts easier, as the developers no longer manually need to build and upload the artifacts.
- Collaborated with multiple upstream and downstream application developers and testers to ensure the proper communications within the teams
- Documented the application's functional and technical details using confluence, Which has been quite effective for new joiners and other audience
- Took ownership of setting up version control with GitHub Enterprise by replacing SVN
- Implemented job monitoring system using Netcool agent and Miro+ frameworks to inti-mate the support team by generating automated incidents in ServiceNow, which has greatly reduced the time taken by the production support to capture the disruption caused by the jobs
- Automated documentum API testing using Java and Selenium

EDUCATION

MCA | Dayananda sagar college of Arts, Science and Commerce

📅 09 2014 – 06 2017   📍 Bangalore, India

- CGPA: 7,94/10

BCA | NDRK Frist Grade College (Mysore University)

📅 08 2011 – 06 2014   📍 Hassan, India

- Aggregate: 63.05 percentage
